The applicant shall at any time furnish such additional information as the Secretary or the chief of the bureau shall find to be necessary to the consideration of his application.

Grounds for not  
issuing license.

SEC. 2. A license for the conduct of a warehouse shall not be issued if it be found by the Secretary that the warehouse is not suitable for the proper storage of sirup, that the warehouseman is incompetent to conduct such warehouse in accordance with the act and these regulations, or that there is any other sufficient reason within the purposes of the act for not issuing such license.

Net assets re-  
quired.

SEC. 3. The warehouseman conducting a warehouse licensed or for which application for license has been made under the act shall have and maintain above all exemptions and liabilities net assets liable for the payment of any indebtedness arising from the conduct of the warehouse, to the extent of at least five (5) cents per gallon of sugar-cane sirup and ten (10) cents per gallon of maple sirup, of the maximum number of gallons that the warehouse will accommodate when stored in the manner customary to the warehouse as determined by the chief of the bureau, except that the amount of such assets shall not be less than \$5,000, and need not be more than \$100,000. If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, such warehouses shall be deemed to be one warehouse for the purposes of the assets required under this section. The secretary may, after op-

portunity for hearing when possible has been afforded in the manner prescribed in this section, cancel a license issued to a warehouseman when such warehouseman (a) is bankrupt or insolvent; (b) has parted, in whole or in part, with his control over the licensed warehouse; (c) is in process of dissolution or has been dissolved; (d) has ceased to conduct such licensed warehouse; or (e) has in any other manner become incompetent or incapacitated to conduct the business of the warehouse. Whenever any of the conditions mentioned in subdivisions (a) to (e) of this section shall come into existence it shall be the duty of the warehouseman to notify immediately the chief of the bureau of the existing condition. Before a license is revoked or canceled for any violation of, or failure to comply with, any provision of the act or of these regulations, or upon the ground that unreasonable or exorbitant charges have been made for services rendered, the warehouseman involved shall be furnished by the Secretary, or his representative, a written statement specifying the charges and shall be allowed a reasonable time within which he may answer the same in writing and apply for a hearing, an opportunity for which shall be afforded in accordance with regulation 10, section 4.

If such warehouseman has applied for licenses to conduct two or more warehouses in the same State, the assets applicable to all of which shall be subject to the liabilities of each, and shall desire to give a single bond meeting the requirements of the act and these regulations for said warehouses, such warehouses shall be deemed to be one warehouse for the purposes of the bond required under this regulation.

In the discretion of the Secretary, a properly executed instrument in form approved by him, amending, extending, or continuing in force and effect the obligations of a valid bond previously filed by the warehouseman and otherwise complying with the act and these regulations, may be filed in lieu of a new bond.

New bond required to continue license beyond one year.

SEC. 4. Whenever a license has been issued for a period longer than one year, such license shall not be effective beyond one year from its effective date unless the warehouseman shall have filed a new bond in the required amount with, and such bond shall have been approved by, the Secretary prior to the date on which that license would have expired had it been issued for but one year, subject to the provisions of section 3 of this regulation.
